

2010 SAWC Promotional Satellites

The cost to secure a Satellite Symposium ranges between \$28,000 and \$42,500. This cost will include the following: food and beverage for 125 attendees; audiovisual; room rental; honoraria (if applicable); attendee registration; satellite invitations; signage; on-site registration; and meeting management. Once satellites are confirmed, detailed information on your session as well as an invoice for 50% of the fee will be sent to you. Please do not remit your payment at this time. Upon confirmation, hosts are required to return all documents and fees needed by the requested date or the satellite may be given to another company. The completed form is due to HMP Communications immediately.
